~ Striving for educational excellence for every child, in every classroom, every day ~

ISSUE 10 – 20th April 2018

from The Principal's Pen.....

Dear Parents and Caregivers

Welcome back to a very busy Term 2. I certainly enjoyed my break, visiting the Commonwealth Games, and being part of a great Queensland event.

I extend a warm welcome to our new families and look forward to getting to know you and your children.

ANZAC DAY

At Pialba, we are very proud of our participation in Community events. Our next event, and one of the most solemn on the calendar, is ANZAC Day. At Pialba, we join with our community to honour the ANZAC legend and the selfless acts of bravery of all who have served in war.

The ANZAC Day Ceremony for **Prep to Year 6** will be held on **Tuesday 24th April**, at **9:15am**, in the School Hall.

Parents and Caregivers are welcome to attend. The School Choir will be singing along with the whole school, performing "The Last Anzac", for the ceremony. Choir members are required to wear their full school uniform for this event.

ANZAC DAY MARCH

All Pialba State School students are invited to participate in the Hervey Bay Anzac Day march on Wednesday, 25th April. Students are required to assemble in the RSL carpark **between 8:45am - 9:00am**, with step-off being at 9:15am.

Full school uniform, including our blue broad-brimmed hat, is required. Parents are welcome to encourage students along the route of the march, by applauding as we pass by. The children thoroughly enjoy seeing the familiar faces of family and friends in the crowd.

Parents are required to collect your children from near the Cenotaph at approximately 10:15am at the conclusion of the ceremony.

Mrs Drury's Diary

Welcome back to Term 2. I hope you have had a happy holiday and our students are enthusiastic to be back at school for their next term of learning. This promises to be an interesting and busy term of learning.

Students receiving SEP support will be commencing their Community Access Program next week. Letters have been sent home about this. Activities will be a combination of excursions into the community and rotational activities at school. With a focus on social, emotional, and health and safety needs of students, the program also includes a curriculum focus. Students will be grouped across year levels to foster peer relationships, leadership and social engagement. This year, students in Year 5 will also have the opportunity to join in the program on a rotational basis as part of the inclusion program operating in that year level. This will further strengthen student relationships and peer support.

If you walked past the SEP garden towards the end of last term, you would have seen reports displayed on the plants that were growing. These reports were completed by students in Mrs Hogan's class. As well as researching the information and writing the reports in groups, students compiled them on the computer, inserting pictures with their text. They have done a really great job which is well worth a look if you are in the school grounds.

Photos from the end of last term show Sammy Witter at the Year 5/6 Gala Day and Allyndia Squillaciotti at the Easter Bonnet Parade below.
